- Spray inside radiator or fuel lines to slide them on easier during installation
- Protects rubber gasket around the sunroof
- Lubricates windshield wiper linkage
- Stops squeaks on clutch pedals
- Lubricates wire being pulled through a conduit
- Lubricates hydraulic tailgate lifts
- Lubricates automatic side view mirrors
- Eliminates squeak from fan belt
- Lubricates pneumatic door lifters on station wagons
- Loosens stuck butterfly valves
- Unfreezes car doors
- Keeps heim joints free on race cars
- Keeps winch cable lubricated and clean
- Lubricates stainless steel hood latches
- Lubricates convertible top gears
- Lubricates scooter lift
- Lubricates torsion bars
- Spray on rubber intake air ducts to ease installation of fuel injected engines
- Lubricates ball joints
- Lubricates rear shock absorbers
- Dissolves grease
- Drives moisture from flooded engine
- Spray on aluminum cylinder heads to prevent galling and cross threading
- Removes excess wax from rubber bumpers
- Keeps asphalt from sticking to dump truck bed
- Lubricates bearings in wheels on boat trailer
- Removes a Boa Constrictor stuck in engine compartment of cars
- Removes paint rub from another vehicle
- Cleans and protects windshield wiper blades
- Helps to insert cables into cable looms
- Lubricates control arm bushings on front or rear suspensions of autos
- Lubricates rubber wiring grommets to ease installation into fenders/firewalls
- When disassembling a race car engine for the off-season, spray the parts down and wrap in plastic wrap to keep well-oiled and prevent rust
- Lubricates the plastic connection of an automobile headlamp retaining nut
- Removes wax from flat black car paint to remove "cloudy" appearance
- Spray on windshield wipers in the early summer so the blades don't crack and dry out
- Use the No-Mess Pen to lubricate hinges on windshield wipers without making a mess

ON THE JOB

- Cleans engraving machines
- Lubricates cargo straps on semi trucks
- Lubricates chain on scrubber machines
- Protects powder coated metal
- Protects swing chains from rusting
- Cleans Plexiglas
- Cleans magazines for an AK-47
- Cleans window caulking
- Cleans and protects forklifts from rust
- Lubricates adjusting mechanisms on office chairs
- Lubricates elevator cables
- Cleans overhead projectors
- Lubricates lead snippers
- Lubricates wood screws for easier installation
- Shines vinyl on jukeboxes
- Cleans and lubricates automatic poultry feeders
- Coat dental instruments before putting in autoclave to prevent excessive oxidation
- Cleans gunk from pricing guns
- Lubricates stuck washers
- Penetrates to help open stuck paint can lids
- Removes adhesives from sewing machines
- Reconditions brass tips on crop field sprayer nozzles
- Spray on metal stencils before painting to ease removal of dried paint
- Protects steel doctor blades on flexographic printing presses
- Protects metal water meters from rust and corrosion

LIST OF 2000+ USES

The uses of WD-40 described on this website were provided to WD-40 Company by end-users of the product, and do not constitute recommendations or suggestions for use of WD-40 by WD-40 Company. - Lubricates gears on paper shredder
- Prevents corrosion on helicopter blades
- Removes stickers from guitars
- Cleans dirty power cords
- Removes boot marks from deck of navy boat
- Cleans and lubricates commercial coin rollers/counters
- Prevents corrosion on connectors used to install TV antennas and satellite dishes
- Removes liquid nails from hands
- Cleans stainless steel ashtrays
- PMCS (Preventative Maintenance Checks and Service) of military issued weapons like the M16A2 rifle
- Cleans rust on conveyors
- Cleans stickers off postal mail sorting equipment belt rollers
- Cleans hydraulic tips on quick connectors on tractors
- Lubricates pencil sharpener gears
- Lubricates safe rollers
- Spray on hands before using heavy adhesives to prevent sticking
- Lubricates nails to ease disassembly of pallets
- Cleans bed pans
- Helps protect sluice boxes
- Helps remove rust from calipers
- Removes rubber cement from clothing
- Lubricates mechanical pens and pencils
- Cleans and protects sewer cleaning cables
- Frees up hot tar pipes
- Removes paint from windows
- Spray on the inside of Victaulic pipe clamps for easier application of anti seize
- Removes crayon from Formica
- Removes tape marks from dry erase boards
- Cleans and protects the plates of injection molding machines on windshield washer nozzles
- Cleans gunk and compressor oil off pistons in solenoids
- Remove tape from office furniture
- Lubricates transcription machines
- Cleans and shines magnetic tape
- Cleans gunk from phone buttons
- Cleans and protects manicuring implements at beauty shop
- Removes grime from book covers
- Cleans adhesive tape residues on audio/visual cables
- Cleans gum from chicken feathers
- Removes crater grease from rail lines
- Eases replacement of couplings in a garden hose or rubber hose
- Cleans grease pencil from ceramic tile
- Protects vintage steam equipment on paddlewheel steam boats
- Improves cutting time for drill bits
- Prevents corrosion of underwater connectors on Remote Operated Vehicle (ROV)
- Removes transparent tape from x-ray machines
- Cleans hoof trimmers
- Coat transmission gears after etching to prevent rust
- Cleans ballast oil off tile floors
- Removes fingerprints from glossy covers of magazines and book covers
- Removes permanent marker from dry erase boards
- Prevents surface rust on stainless steel laundry coin boxes
- Keeps construction lifts clean from stucco job
- Removes scuff marks from luggage
- Protects metal bars on glockenspiels
- Cleans blades on box cutters
- Cleans pushbutton switches on hand controls for patients' hospital beds
- Removes rust from metal table legs
- Cleans cell phones
- Lubricates fence stays
- Lubricates tuning mechanisms on graphic equalizers
- Removes dried caulking from hands
- Lubricates foot feeder on tractor
- Protects coaxial fittings on modem
- Prevents rust on chipper/shredder rollers
- Helps remove hands from stuck pipe
- Removes asphalt from overshoes
- Cleans salt-impregnated ice from the soles of my work boots
- Coolant and polishing agent in a grinding operation
- Cleans cell phone battery connections
- Cleans ax blades
- Lubricates vice
- Lubricates barn door locks
- Cleans tape and glue left from microscope stand and equipment
- Prevents corrosion on console panel switches
- Cleans and protects wire mesh black bay boxes
- Cleans and protects jet compressor blades
- Helps clean bilge areas
- Protects motors coupled to pumps to prevent faulty packing glands
- Cleans and protects on-board machine and hand tools
- Cleans and protects porthole dogs
- Cleans and protects radar gear
- Cleans and protects Automatic weapons
- Cleans and protects cables and connectors
- Cleans and protects tracks on tracked vehicles
- Cleans and protects blower fans
- Cleans and protects control panel boards
- Cleans and protects gun carriages
- Cleans and protects gun linkages
- Cleans and protects cargo release systems
- Cleans and protects gauges
- Cleans and protects heavy-duty cutting heads
- Cleans and protects reamers
- Prevents corrosion on stored drill bits
- Protects against corrosion in retractable wheel wells
- Protects against corrosion on high tension circuits
- Prevents corrosion on wing interior
- Protects helicopter M/R blades from rust
- Cleans Thermo King refrigeration units
- Cleans and protects forklift brake hardware
- Cleans welding dust
- Cleans Hemming dies
- Cleans sealing equipment in GM assembly plant
- Filters dust when sprayed on AC filter
- Cleans lock cylinder pins and plugs when re-keying lock
- Provides protective coating for Teflon heating strips
- Cleans milking machine pulsator
- Helps keeps paint on farm machinery shiny and free from cracks
- Cleans shoe repair equipment
- Cleans and protects moving parts of old printing presses
- Helps clean oxidation from bronze grave markers
- Helps keep exposed nail heads from rusting
- Spray in a box of nails to keep them fresh and rust-free
- Spray on electrical panel boxes to drive out moisture
- Cleans hoof trimming chute
- Prevents rust on jewelry forging blocks
- Keeps tapping knives from rusting
- Removes rust from old keys
- Keeps circumference rulers from rusting
- Lubricates hinge swivels on exhaust fans
- Protects drywall tools
- Lubricates tape measures
- Drives moisture out of shovel handles
- Lubricates inside of orthopedic shoes for easy removal of cast/mold
- Spray chalk lines drawn on asphalt to keep them from washing away in the rain
- Prevents moisture damage on cable TV field strength meters
- Drives moisture from seismic cable connectors
- Lubricates high-performance positive-displacement vacuum pump carpet used in cleaning
- Helps maintain waterproof seal in telephone splice cases
- Drives moisture out of electric generators
- Spray on main valve for pond pumps to check for a tight seal
- Drive moisture from bottom of leaky coffee pot
- Drives moisture from helicopter quadrants
- Drives moisture from radar gear
- Drives moisture from precision tools
- Drives moisture from heavy-duty drills
- Drives moisture from ignition coils
- Drives moisture from ignition distributors
- Drives moisture from spark plugs on tanks
- Displaces moisture from electrical conduits
- Waterproofs chimney cleaning tools
- Drives gunk from bearings seized by fertilizer
- Frees up stuck keys on organ
- Use as a tapping lubricant
- Cleans printer toner from unwanted places
- Lubricates swivels on 35-ton grove crane
- Lubricates vending machine locks
- Loosens screws in watch bands to enable link removal
- Removes rust from shower chair wheels
- Penetrates levers on office chair for easy adjustments
- Lubricates gears on smokers
- Frees stuck lock on lock boxes
- Helps remove rusted
- Lubricates Mayo stands for smooth up and down movement during surgery
- Lubricates nail guns
- Lubricates rivet gun mechanisms
- Lubricates bulk loading caulking gun
- Lubricates rings on ring binders
- Lubricates router collets
- Lubricates large mixing bowls in commercial mixers
- Cleans gum from parking meter coin slot
- Frees up extendable paint roller poles that get clogged with paint
- Frees stuck conveyor belt rollers
- Lubricates overhead projector cart wheels
- Lubricates micrometers on precision tools
- Frees stuck tin snips
- Lubricates stuck screws on overhead projectors
- Lubricates sticky brakes on a Genie lift
- Lubricates meat slicer knob
- Lubricates curtain tracks in hospital rooms
- Keeps prison cell doors from squeaking
- Lubricates power actuated guns
- Lubricates computer cart wheels
- Lubricates paper cutter blades
- Lubricates airless paint guns
- Lubricates gurneys
- Loosens pulleys on cable-operated bulldozers
- Lubricates tomato slicer handle
- Lubricates swinging leg rests on wheel chairs
- Lubricates dumpster wheels
- Lubricates closet door hinges
- Lubricates drive system of dollar bill changers
- Frees stuck escape slides located at bottom of entry doors on planes
- Stops squeak of calculator tape register
- Lubricates sliding battery covers for easy removal
- Lubricates gear trains on servo motors
- Lubricates tills on cash registers
- Lubricates tilt mechanism on swivel chair
- Lubricates arm of post-office letter sorter
- Lubricates squeaky fare box levers on city buses
- Lubricates boxcar doors on rail cars
- Lubricates draw heads on railroad boxcars
- Frees up mechanisms in ergo chairs
- Lubricates gas chromatography motors
- Lubricates date stamps
- Loosens tooling on tablet making machine
- Lubricates rear door of trailers
- Rehydrates paintbrush bristles
- Lubricates flapper in vent shield on gas meter
- Lubricates cogs on rollers of x-ray film processing machine
- Lubricates sticky mechanisms on old typewriters
- Lubricates and protects electric stapler
- Lubricates jack gears
- Eases removal of solidified spitballs
- Helps remove reflector tape from life jackets
- Lubricates gears on light bars on police cars to keep lights spinning freely
- Removes duct tape residue from work boots
- Lubricates locking mechanisms on video drop slots

- Lubricates bearings of radar antenna on lobster boats
- Lubricates handle of heavy-duty ingredient mixers
- Lubricates locks on money boxes on gaming tables (21)
- Keeps knobs on heart monitor defibrillators clean
- Lubricates battery handles on laryngoscopes
- Lubricates lift arms on fork lifts
- Lubricates gripper bar on printing presses to allow sheets to release properly
- Removes gunk from cooler doors
- Lubricates file cabinet hardware
- Loosens stuck buttons on calculators
- Frees stuck lugnuts on semi trucks
- Frees stuck motor shafts
- Removes deposit buildup on sand belts
- Lubricates C Clamps on stage lighting instruments
- Lubricates dolly wheels
- Loosens and penetrates rusted or stuck plumbing joints
- Lubricates antenna parts on tall broadcast towers
- Loosens stuck joints on rusted light trees
- Lubricates tractor shredders
- Lubricates gears on pool pump filter systems
- Loosens frozen infuser pumps from poles in hospitals
- Lubricates brake levers on wheelchairs
- Frees up rusted circulator bolts on hot water heating systems
- Lubricates ice chest locks
- Removes copper water line stains from bathroom fixtures
- Loosens rusty hinges on mail carts
- Lubricates toilet paper rollers
- Helps remove a chair base from a press fit hydraulic cylinder
- Loosens valve bolts on tiller units
- Helps remove keyed-shaft impellers from rusted and/or calcified stub shafts on electric motors used for swimming pool pumps
- Loosens rusted bolts on radio antenna clamps
- Penetrates stuck bolts on cultivator shovels
- Loosens stuck locks on parking meters
- Loosens up the crank on old hospital stretchers
- Loosens drive chains on hay balers
- Loosens rusted monkey fists on boat
- Loosens knobs on adjustable drafting table
- Lubricates kiln lid hinges
- Loosens interior plumbing device that controls bath drain plug
- Prevents rust on ship seam areas
- Loosens rusted screws on board ships
- Cleans and protects areas affected by bi-metal conditions and disassembly of machinery
- Prevents rust on outdoor air conditioners
- Prevents rust on guns used in the field
- Prevents rust on testing bars
- Prevents rust on portable electric equipment
- Prevents corrosion on field weapons
- Prevents rust on seam areas on wings
- Loosens rusted blower motor from blower wheel
- Helps dissolve rust from corn sheller
- Helps dissolve rust from apple bagging machines
- Helps dissolve rust from pruning shears
- Helps dissolve rust from fork lift parts
- Helps dissolve rust from hog equipment
- Loosens threaded joint on water pumps
- Helps remove rust from pistons of steam engine
- Lubricates metal before running through a roll-former
- Lubricates spring-loaded office chairs
- Quiets noisy turbine ventilators
- Keeps office chair wheels rolling smoothly
- Lubricates parts of mechanic rocking chairs
- Stops squeaks on stilts
- Lubricates tuning mechanism on scanners
- Lubricates swing arm lamps
- Lubricates hydraulic barber chairs
- Lubricates pool pump motor belt
- Prevents rust on floor sanding machines
- Lubricates bass drum and high hat pedals
- Lubricates hanging IV pole stand wheels
- Lubricates stuck vending machine knobs
- Use as cutting fluid when drilling copper
- Lubricates spinning magazine racks
- Cleans and lubricates the trigger of gas pumps
- Lubricates primacord and the port plugs on perforating guns
- Removes squeak from dental chairs
- Relieves squeaks on crystallographic grease machine
- Stops squeaks on papercutters
- Spray rubber gasket for easy installation of window glass
- Stops squeaks on metal library book carts
- Lubricates steering linkages on tractor
- Stop squeaks caused by new leather work boots
- Use on chair fittings to reduce noise
- Lubricates and cleans tension idlers on theater rigging system
- Lubricates fiber optic cable when routing through narrow ducts
- Loosens joints of costume
- Lubricates hospital sterilizer doors
- Stops the squeaky noise from x-ray film cartridges
- Dissolves butyl caulk
- Lubricates power injecting device strung from the ceiling in Cardiac Catheterization Lab
- Protects gun parts when being stored
- Protects plumbing "runner" ropes from being burned by molten lead
- Lubricates crank mechanism on pencil sharpener
- Lubricates wheels of pallet jack
- Protects DJ components from rusting
- Lubricates barn door runners
- Lubricates rollers on copper tubing cutter
- Lubricates worm gears in chicken house on poultry farm
- Lubricates rotating coffee shop chairs
- Quiets squeaky speaker stands
- Drives moisture from telephone wire connections in network interface box
- Conditions synthetic rubber to make slicing easier
- Lubricates gears on meat grinder-sausage maker
- Cleans and protects bayonets
- Lubricates cash drawer locks
- Lubricates hinges on skunk racing box
- Lubricates bone joints of skeletons in laboratories
- Lubricates tractor throttle cables
- Spray pegs in peg board for easy adjustment
- Lubricates casters on Rubbermaid utility carts
- Lubricates chain-link conveyor belt in pizza ovens
- Lubricate hose bars for easy insertion into new synthetic rubber hoses
- Lubricates axle on rotating shoe polisher
- Lubricates landscaping spikes to make it easier to drive into landscape timbers
- Lubricate guide rollers on digger derrick
- Lubricates sliding rollers on diamond blade tile saw
- Spray on bed liners to keep rebar from sticking
- Lubricate O-rings when rebuilding oil pumps
- Lubricates electric pencil sharpeners
- Lubricates swivel on overhead monitor arms
- Spray stereo wires to keep them from sticking when running through auto firewalls
- Stops squeaks on add-ons to police gun belt
- Lubricates casters on mobile pizza making table
- Lubricates legs on HETs (Heavy Equipment Transporter) for easy sliding
- Cleans and protects outdoor popcorn stands
- Lubricates latches on electrical cabinets
- Lubricates hacksaw blades for cutting metal
- Lubricates onion ring breader machine
- Lubricates spool valve handles on boat hydraulic systems
- Lubricates hole punches
- Lubricates rollers on metal cash register drawers
- Stops squeak on tape dispenser
- Lubricates moveable parts of snow plow harnesses
- Lubricates rotorhead of helicopters to stop elastomeric dampers from squeaking
- Lubricates speed brake rams and linkage
- Lubricates
- Lubricates hinge bearings on ships
- Lubricates wheel housings on ships
- Lubricates control pulleys
- Lubricates turnbuckles
- Lubricates gyro compasses
- Lubricates gun table rollers
- Lubricates track adjusting screws
- Lubricates tank ignition system
- Lubricates precision gun fittings
- Lubricates heavy-duty machine screws
- Lubricates galley latches
- Lubricates outflow valves
- Lubricates recline hydro locks in seats
- Lubricates recline hydro locks in pilot seat tracks
- Lubricates hell hole micro switches
- Lubricates hell hole roller switches
- Eases assembly of intricate devices when light oil is needed
- Lubricates jet engines to ease overhaul and disassembly
- Stops squeaks on gears of hydraulic chairs
- Lubricates O-rings prior to assembly
- Lubricates fan in motor on window A/C
- Quiets squeaky roof ventilator hinges
- Lubricates lock cylinders during repair
- Lubricates lock shafts to check for bad bearings
- Lubricates during lathe turning operations
- Lubricates precision grinding saws
- Lubricates pneumatic cylinders
- Lubricates pneumatic clutch
- Lubricates pneumatic starters
- Lubricates head stops on litho presses
- Lubricates side guides on litho presses
- Lubricates pressure hose on gold dredge
- Lubricates pressure hose on silver dredge
- Lubricates rolodex bearings
- Lubricates pin-setters in bowling alleys
- Eases removal of old ID stickers from computer cases
- Eases removal of concrete grout from test cubes used in construction
- Keeps tape from sticking to drywall tools
- Lubricates desk locks
- Serves as cutting oil
- Removes rust from stainless steel vault doors
- Keeps adhesive from building up on face cut dies
- Cleans plastic desk protectors
- Hides scratches on metal elevator doors
- Spray copper wire before applying rubber insulation with glue to allow lines to slide easier
- Spray on sewer vent cover to keep it from freezing shut
- Keeps lock down plate clean on oil wells
- Lubricates aluminum extrusion when cutting for length
- Contractors use bottom of can to draw perfect circles while in the field. Use cap for smaller circles
- Removes crayon from ceramic items
- Removes surgical tape from hospital bed rails
- Removes hydraulic fluid from Lear jets
- Removes glue from copper foil during stained glass production
- Helps hide scratches on plastic safety goggles
- Use as a parting agent between a surface and a sealant
- Lubricates automatic envelope making machine
- Cleans concrete from shovels
- Reconditions rollers in fax machines
- Removes ink from rollers in printing press
- Works well for dissolving thread lock compound
- Spray on seat coverings when fitting seat frames for easy application
- Removes evidence tape glue from evidence tape after evidence has been processed
- Cleans and shines the exterior of stainless steel frozen yogurt machines
- Helps detect cracks in welds
- Hides small scratches on woodwork
- Removes stiffness from dried out leather gloves
- Spray on paint before scraping to make paint come off easier
- Spray in rubber over-booties to make putting them on easier

- Helps seal gaskets
- Increases life of high-speed dental hand pieces
- Helps provide dust-free surface when roofing
- Makes Tygon flexible tubing fit over glass tubing with approximately the same diameter
- Removes chewing gum from lunch trays
- Prevents rust on oyster knife
- Unsticks electric sheep shears
- Protects and lubricates floating boat docks after thawing
- Lubricates lift shaft of sump pumps
- Removes paint from dungarees
- Lubricates wheels of paper shredders, to prevent paper from jamming
- Helps remove heavy grease deposits from heavy-duty conveyor systems
- Use the No-Mess Pen - a small amount on the inside of an old stapler - so it glides easier to load staples

GARAGE/WORKSHOP

- Loosens locking mechanisms on ladders
- Cleans resin encrusted table saw blades
- Removes oil from hands
- Removes tar from hands
- Cleans jointer and planer blades before and after sharpening
- Protects tools from corrosion
- Protects bandsaw bearings
- Cleans spray paint nozzles
- Helps fix watches
- Prevents foliage from sticking to pruning shears
- Helps clean metal surfaces
- Shines steel
- Lubricates flashlight battery compartment to ease removal of stuck batteries
- Cleans rusty saws
- Removes pine pitch from table saw blades
- Prevents rust on clamps
- Keeps metal filing tools from filling with lead or zinc
- Spray inside candle holders prior to burning to make candles slide out easier
- Removes Cosmeline coatings from milling machines and other shop tools
- Protects rubber seals on lawn and garden sprayers
- Cleans gunk from safety glasses/goggles
- Softens and dissolves dried manure from work boots
- Spray on hole diggers to make dirt slide off easier
- Protects barrels and metal containers against rust and corrosion
- Drives out moisture from flashlights
- Spray on workbench to keep glue from sticking
- Lubricates and protects bucksaw blades
- Spray on swing blade for smoother cutting
- Lubricates rollers on radial arm saw
- Lubricates slide for box cutter
- Cleans debris from vise-grip
- Cleans heavy lube from bull gears on Drag line
- Lubricates table saw casters
- Cleans bed of metal lathe
- Cleans reloading dies
- Lubricates piano hinges on tool box
- Lubricates fuse box hinges
- Cleans reflectors on fluorescent lights
- Lubricates vacuum cleaner wheels
- Lubricates garage door runners
- Lubricates chalk guns
- Drives debris from rototill bits
- Lubricates sliding power saw guides
- Keeps paint from sticking to paint brushes
- Lubricates and protects snowmobile suspension
- Cleans water stains from outboard motor
- Penetrates and frees stuck buttons on telephones
- Prevents breakage of contact pins and support when changing fluorescent light bulbs
- Removes carbon from burn marks from tile flooring
- Prevents rust on hand saws
- Lubricates miter saw blade

- Cleans transmission valve body paths
- Lubricates oil fan motors on furnaces
- Lubricates log splitters
- Use as pen polish on my lathe turned wooden pens
- Protects drives on wire welders
- Lubricates garage door rollers
- Lubricates pull starter on generator
- Lubricates locks on lawnmower control cables
- Stops squeaks on garage door casters
- Cleans sawdust from wood working tools
- Penetrates and loosens screws on furniture clamps
- Lubricates flyball box trigger mechanisms
- Coat drill press spindle for rust protection
- Lubricates casters on shop vacs
- Cleans and protects jaws on electric drill chuck
- Frees sticky snow blower throttle cable
- Lubricates copersaws
- Loosens height adjuster on lawnmower wheels
- Lubricates diamond cutting wheel on glass cutter
- Keeps rollers on wing slats from binding
- Penetrates and frees up stuck packing glands on water valves
- Lubricates vice handles
- Keeps horseshoes from rusting
- Loosens stuck trailer hitches
- Frees seized joints on satellite dish
- Cleans model T Jacks
- Loosens stuck gas cap on lawn mower
- Lubricates flashlight switches
- Prevents calcium buildup on sprinkler heads
- Lubricates mop bucket casters
- Loosens old nozzle from wet/dry vacuum cleaner
- Lubricates stuck bolts on diving boards
- Keeps gear shifters lubricated
- Lubricates rusted screws
- Keeps table saw arbor from gumming up and sticking
- Lubricates staple guns
- Lubricates table saw runners
- Loosens tight folding chair hinges
- Softens rubber O-ring
- Spray chisels for smooth cutting
- Lubricates worn gear in garage door opener
- Spray on rubber hose to make cutting easier
- Lubricates bassinet wheels
- Lubricates snow blower linkage
- Lubricates casters on power tool stands
- Prevents rust on tripods
- Lubricates joints of folding sawhorses
- Lubricates action on fluid lift gate pistons
- Wipe across heavy laminates to make cutting easier
- Lubricates vintage jukebox mechanisms
- Lubricates gears on RC cars
- Stops squeaks on and protects metal can crusher
- Loosens gummy residue from carbide tipped blades
- Cleans airbrushes after use
- Removes rust from files
- Cleans valves on compressors
- Separates lamination of plastics
- Removes gaff tape
- Lubricates armatures of vacuum cleaners
- Separates rubber snow blower blades free of snow buildup
- Eases twisting of wire
- Winterizes lawnmower to prevent freezing and rust while in storage
- Spray on bottom of garage door to keep it from sticking to concrete during winter
- Protects chainsaw blades before storing

SPORTS/RECREATION

- Keeps boat trailer locks clean and working
- Lubricates folding parts of Razor scooters
- Spray on beach chair hinges to prevent binding and rust
- Lubricates sleds and toboggans
- Lubricates stuck zipper on wetsuit
- Cleans and protects metal buckles on snow gear
- Prevents canopy stakes from rust

- Lubricates sliding window tracks on boats
- Lubricates rusted umbrellas
- Cleans and lubricates bells on antique sleighs
- Keeps snow from sticking to impeller
- Removes oxidation from boats
- Cleans and conditions rubber on table tennis paddles
- Keeps fishing reels rust-free
- Keeps model trains rust-free
- Keeps fishing lures corrosion free
- Cleans dice
- Protects bicycle chain
- Cleans bike chains
- Removes athletic tape from ankles
- Shines golf clubs
- Removes gunk from surface of guns
- Helps detail outboard motors
- Lubricates rollers on rowing machine
- Keeps boat engine parts rust free
- Lubricates winches on boats
- Protects metal baseball bat from rust
- Cleans bowling ball finger holes
- Cleans road tar off boat hulls
- Removes river sludge from boat hull
- Lubricates and protects unicycle seat post
- Lubricates golf bag zipper
- Lubricates pump-action guns
- Prevents rust on golf spikes
- Displaces moisture from guns after cleaning
- Anti-rust agent and lubricant for gun magazines
- Eases application of rubber racquetball racquet grips
- Cleans volleyballs
- Lubricates squeaky boat mast
- Penetrates and cleans stiff buckles on horse equipment
- Lubricates dart guns
- Protects bike frame from salt water corrosion
- Drives out hard to remove debris from rock samples
- Cleans exposed vinyl on boats
- Cleans golf club shafts
- Prevents rust from forming on metal picnic cups
- Prevents corrosion on my sailboat pulleys
- Cleans and protects trailer hitch locking mechanism
- Keeps rust from forming on hockey skate blades
- Cleans golf club faces
- Cleans boats
- Use to lubricate hockey goals and keep them from rusting
- Cleans rust off sprockets
- Removes camouflage tape from guns
- Lubricates steel zippers on camping equipment storage bags
- Cleans and protects console gauges on boats
- Helps disassemble stuck parts of swing set
- Cleans dirt from stabilizer jacks on camping trailer
- Prevents corrosion on boat trailer axle
- Removes deep stains from basketballs
- Protects golf clubs against rust and corrosion
- Removes tire marks from fiberglass body of go-carts
- Cleans exterior of drums
- Spray cleats before playing in rainy weather to keep mud from sticking
- Prevents fishing flies from rusting
- Unfreezes frozen snowshoe zippers
- Cleans golf balls
- Keeps seat staples from rusting on personal watercraft
- Keeps boat shifter cables loose and free from rust
- Polishes and protects boat rails
- Cleans and lubricates electric horse clippers
- Shines and protects blades on hydrofoils
- Protects baseball gloves during off-season
- Helps remove golf club grip tape during regripping process
- Removes glue and adhesive backing from stripes and graphics on sides of boat
- Polishes fishing lures
- Removes depilatory wax from floors
- Keeps ice skate blades from rusting

- Cleans and protects miniature golf gear
- Softens and cleans netting on lacrosse sticks
- Lubricates bilge pump on boats
- Cleans knife blades
- Removes dead insects from golf carts
- Cleans dead insects from boat windshields
- Rejuvenates soft plastic fishing lures
- Removes tape from aluminum bats
- Prevents rust on pool cover studs
- Removes wax from nonskid surfaces on boats
- Removes bike skid marks from driveway
- Protects HAM radio antennas from moisture
- Clean tree sap from boat windshield
- Lubricates window hinges on horse trailer
- Lubricates axles of golf cart
- Removes tape from hockey stick
- Cleans bottom of coil on metal detector
- Cleans and lubricates caulk holes in horse screw caulks
- Lubricates hinges on plastic coolers
- Protects bayonets from rust while stored in sheaths
- Refurbishes antique fishing lures
- Cleans gunk from hiking boot treads
- Cleans golf cart seats
- Cleans gunk from rollerblade bearings
- Removes fish slime from tackle
- Removes scuff marks from slides and climbers
- Cleans and lubricates remote control model helicopter
- Cleans lake sludge from fiberglass
- Cleans and protects boot buckles
- Removes pine tar from baseball bat
- Removes grass stains from softballs
- Protects trucks on skateboards
- Cleans and polishes cooking kettles
- Spray on anchor chain to keep from rusting
- Cleans pool cue sticks
- Removes ball marks from aluminum baseball bats
- Cleans gum out of skateboard axles
- Cleans runners on slot cars
- Cleans grime from boat mats
- Protects metal fencing blades
- Removes sports tape from uniforms
- Lubricates sailboat sheaves
- Cleans swing arms on dirt bikes
- Removes gum from tents
- Shines bike tires
- Removes scuff marks from rubber edges of tennis shoes
- Lubricates snowboard bindings
- Cleans and protects boating blocks
- Cleans and protects porthole dogs
- Prevents corrosion on radar gear
- Cleans and protects boat hardware
- Cleans and protects brass boat fittings
- Protects jet-ski engine compartment from corrosion
- Cleans and protects adjusting screws on bicycle seats
- Cleans chrome bicycle frame
- Degreases bicycle chains
- Degreases bicycle frame
- Cleans tin-plated parts on model trains
- Removes powder residue and metal fouling from gun barrels
- Protects bore and exterior of gun barrel from corrosion
- Prevents buildup of grease and dirt on portable stoves
- Cleans clogged propane nozzles
- Protects arrowheads from corrosion
- Prevents buildup of grease and dirt on portable lanterns
- Keeps brass boat fittings from rusting
- Drives moisture and mud from duck guns
