

All WD-40 uses for Auto/Truck & Motorsports

- Removes tree sap
- Removes gunk and grease from fenders, windows and car interiors
- Lubricates and protects parts from rust and corrosion
- Buffs out scuffmarks on bumpers
- Displaces moisture from car wiring
- Displaces moisture from electrical connections and protects from corrosion
- Displaces moisture from spark plug wires
- Dissolves grease
- Dissolves rust from rusty bolts
- Eases installation of rubber exhaust hangers on exhaust systems
- Eases removal of nuts and bolts near chassis
- Eases removal of nuts and bolts near dash compartments
- Eases removal of nuts and bolts near drive train
- Eases removal of nuts and bolts near fenders
- Eases removal of pinion shafts on old pistons
- Eliminates squeaks from fan belt
- Eliminates squeaks from locks
- Frees rusted glove compartment door
- Frees sticky remote control mirror mechanism
- Frees stuck accelerators
- Frees stuck fuel door cable
- Frees stuck lugnuts on semi trucks
- Frees stuck motor shafts
- Frees stuck tin snips
- Frees up sticking carburetor linkage
- Helps free stuck battery cables from terminals
- Helps hone cylinder walls
- Helps prevent rust on hide-a-key containers
- Helps remove brake dust from wheels
- Helps remove grease and other marks on sidewalls on tires
- Helps remove rust from pistons of steam engine
- Helps remove vinyl bed-liners
- Helps start wet engines
- Helps to insert cables into cable looms
- Keeps a disassembled race car engine well-oiled and prevents rust when parts are sprayed down and wrapped in plastic wrap for the off-season
- Keeps air horn celluloid from sticking
- Keeps brake levers working well on motorcycles
- Keeps car battery terminals corrosion free
- Keeps gear shifters lubricated
- Keeps glove box lock working smoothly
- Keeps heim joints free on race cars
- Keeps hitch locks rust-free
- Keeps pop-up auto lights operating smoothly
- Keeps rollers on wing slats from binding
- Keeps rubber door weather gaskets soft and pliable
- Keeps tire jack working smoothly
- Keeps transmission linkages operating smoothly
- Keeps winch cables rust-free
- Loosens and removes stubborn dirt and grease without scratching the paint
- Loosens crank arm on windows
- Loosens rusted oxygen sensor in car exhaust pipe
- Loosens slack adjuster locks
- Loosens stuck butterfly valves
- Lubricates 4-wheel-drive hubs to ease locking procedure
- Lubricates action on fluid lift gate pistons
- Lubricates all metal and moving parts to reduce friction and prevent locking
- Lubricates and protects hinge pins and points
- Lubricates and protects latches
- Lubricates any moveable parts, especially in the fabrication phase
- Lubricates ashtray for easy sliding
- Lubricates auto hood latch
- Lubricates auto hood latches
- Lubricates automatic seat belt tracks
- Lubricates automatic side view mirrors

- Lubricates ball joints
- Lubricates car antenna
- Lubricates car ashtrays for easy sliding
- Lubricates car door hinges
- Lubricates car ignition
- Lubricates cargo straps on semi trucks
- Lubricates child safety seat buckles
- Lubricates choke levers
- Lubricates choke linkage
- Lubricates control arm bushings on front or rear suspensions of autos
- Lubricates convertible top gears
- Lubricates convertible top zippers
- Lubricates door latch to gas cap
- Lubricates door latches to gas caps
- Lubricates drive chain on motorcycles
- Lubricates emergency brake cable
- Lubricates fuse box hinges
- Lubricates gas cap locks and levers
- Lubricates gears on hand-rolling car windows
- Lubricates hand-operated window cranks
- Lubricates handicap lift on minivan
- Lubricates handles
- Lubricates hinges, latches and locks on trucks
- Lubricates hood release cable
- Lubricates hood release cables
- Lubricates hydraulic lifts on truck bed cover
- Lubricates hydraulic tailgate lifts
- Lubricates jack gears
- Lubricates key holes
- Lubricates knobs on air conditioners
- Lubricates lift chairs on vehicles
- Lubricates linkages on emergency brake release
- Lubricates linkages on emergency brake releases
- Lubricates locks on vehicle bike racks
- Lubricates manifold heat control valve
- Lubricates motorcycle chains
- Lubricates mounting bracket for alternator
- Lubricates moveable parts of snowplow harnesses
- Lubricates moving parts of rotating CB antennas
- Lubricates pneumatic clutch
- Lubricates pneumatic cylinders
- Lubricates pneumatic door lifters on station wagons
- Lubricates pneumatic starters
- Lubricates rear door of trailers
- Lubricates rear shock absorbers
- Lubricates rubber bushing
- Lubricates rubber wiring grommets to ease installation into fenders/firewalls
- Lubricates rusted oil pan plug
- Lubricates scooter lift
- Lubricates seat belt buckles
- Lubricates speedometer cables
- Lubricates spinning wheels
- Lubricates stainless steel hood latches
- Lubricates sun visors
- Lubricates sun visors in cars
- Lubricates sunroof crank
- Lubricates swiveling chairs in minivans
- Lubricates the plastic connection of an automobile headlamp retaining nut
- Lubricates throttle linkage
- Lubricates tire air knobs
- Lubricates torsion bars
- Lubricates trailer support cranks
- Lubricates trunk latch
- Lubricates valves on fire trucks
- Lubricates windshield wiper linkage
- Lubricates zippers on zip-up car windows
- Maintains dashboard
- Maintains interior
- Makes battery bolts easier to remove when sprayed on prior to installation
- Makes truck bed liner easier to remove later when sprayed on truck bed before installation
- Penetrates and loosens locking levers on windows
- Penetrates frozen locks
- Penetrates stuck brake bleeder valves
- Penetrates stuck car hoods

- Penetrates stuck fog light nuts
- Penetrates stuck radiator handle
- Prevents corrosion of spark plug cables
- Prevents corrosion on boat trailer axle
- Prevents corrosion on console panel switches
- Prevents noise on car window tracks
- Prevents oxidation on battery connections
- Prevents rust on seam areas on wings
- Prevents rust on transmission gears when coated after etching
- Prevents spray nozzles for windshield washers from freezing
- Prevents windshield wiper blades from cracking and drying out when used in the early summer
- Protects against corrosion in retractable wheel wells
- Protects chrome on cars
- Protects electrical connections in engines
- Protects HAM radio antennas from moisture
- Quiets squeaks on automatic sliding seat belts
- Quiets squeaky leaf springs
- Removed a Boa Constrictor stuck in engine compartment
- Removes asphalt from trucks
- Removes burnt oil from exhaust pipes on motorcycles
- Removes cell phone antenna glue from glass
- Removes crayon from dashboard
- Removes crayon from vinyl surfaces
- Removes glue from leather
- Removes grease and grime from motorcycle chains
- Removes grease caked onto the engine block and its compartment
- Removes greasy fingerprints from car interior
- Removes grime from engines
- Removes grit from windshield wipers
- Removes gum from school bus seats
- Removes gum stuck in carpeting or between seats
- Removes gummy deposits from PVC valves
- Removes gunk and compressor oil off pistons in solenoids
- Removes gunk and debris from Thermo King refrigeration units
- Removes gunk and lubricates the trigger of gas pumps
- Removes gunk and protects aluminum rims
- Removes gunk and protects brake shoe mechanisms
- Removes gunk and protects cables and connectors
- Removes gunk and protects CB radio antennas
- Removes gunk and protects chrome on cars
- Removes gunk and protects gauges
- Removes gunk and protects power antennas
- Removes gunk and protects the plates of injection molding machines on windshield washer nozzles
- Removes gunk and protects tracks on tracked vehicles
- Removes gunk from PVC valves
- Removes gunk from sealing equipment in GM assembly plant
- Removes insects from front grill
- Removes light rust from car hood latches
- Removes love bugs from car grilles and bumpers
- Removes marks from rubber surfaces
- Removes marks from white wall tires
- Removes paint from leather
- Removes paint rub caused by other vehicles
- Removes paint rub from other vehicles
- Removes road oil from rocker panels
- Removes road tar
- Removes Silly Putty® stuck on car seats
- Removes sludge from outside engine block
- Removes squeak from brake pedal
- Removes tar and sap from vehicle grills and bumpers
- Removes wax from flat black car paint to remove cloudy "appearance"
- Restores shine on classic cars
- Restores vintage door locks
- Shines and protects bed liner
- Shines and protects chrome
- Shines car tires
- Shines motorcycle finish
- Spray aging rubber grommets to eliminate squeaks
- Spray brake button under brake pedal to loosen sticky brake lights
- Spray inside radiator or fuel lines to slide them on easier during installation
- Spray on a rag and wipe steering wheel and gearshift knobs to keep them grease-free and grip-able
- Spray on a rag and wipe window handles to keep them grease-free and grip-able
- Spray on aluminum cylinder heads to prevent galling and cross threading
- Spray on rubber intake air ducts to ease installation of fuel injected engines

- Spray on seat coverings when fitting seat frames for easy application
- Spray stereo wires to keep them from sticking when running through auto firewalls
- Spray tachometer cables to ensure accurate readings
- Spray tie down ropes prior to securing load to keep them from scratching truck paint
- Stops belt noise
- Stops belt noise on automobiles
- Stops squeak in alternator pulley
- Stops squeaking on windshield wipers
- Stops squeaks caused by brake cable rubbing against chassis
- Stops squeaks in car strut mounts
- Stops squeaks on car doors
- Stops squeaks on clutch pedals
- Stops squeaks on steering wheels
- Stops squeaks on tail pipe hangers
- Unsticks car door during cold weather
- Unsticks electric seats in vehicles
- Displaces moisture from electrical conduits
- Protects chrome and gives it a nice shine
- Keeps locks from freezing during winter
- Helps make snow "roll" right off snowplow blades
- Prevents rust on inside of door panels
- Removes dog slobber from dash and seats in vehicle
- Displaces moisture on engine and distributor
- Drives moisture from flooded engine
- Eases removal of stuck spark plugs from engine
- Helps remove broken keys from locks
- Keeps weather stripping and rubber car door seals soft and prevents drying and cracking
- Lubricates air nozzle caps on tires
- Lubricates and protects leaf and coil springs
- Lubricates and removes surface rust from tools
- Lubricates garage door runners and keeps them from freezing to garage floor
- Lubricates hinges on trunks and car doors
- Lubricates license plate bolts and screws
- Protects corrosion-sensitive areas of car
- Protects metal and chrome parts from rust and corrosion when sprayed on before putting into storage
- Protects rubber gasket around the sunroof
- Removes adhesive tape without damaging factory paint
- Removes baked-on bird droppings from car and truck exteriors
- Removes bumper stickers
- Removes decals from windows and bumpers
- Removes dirt and grease from parts
- Removes scuff marks on cars caused by shopping carts
- Removes surfboard wax from car roof
- Removes tar from chassis
- Loosens rusted bolts
- Lubricates hinges on windshield wipers
- Penetrates and loosens lug nuts on boat trailers
